

Sokkia Field Procedure of Activation

Perform the following procedure to activate the product before the first use.

Note: If your company does not currently have a Sokkia Enterprise Solutions account, create one at <https://enterprise.topconpositioning.com/#/> or from within the application using the **Create Account** button shown below in **Step 3**.

Online Activation

1

Connect the instrument to the internet via Wi-Fi.

2

When Sokkia Field starts up, it will prompt with the dialog shown below; Select **“Online activation”** and **click >>**.

3

Enter your Sokkia Account information and **click >>**.

4

Enter the serial number provided on the Sokkia Field Software Purchase Certificate into the dialog shown below and **click >>**.

5

Click on the **“Accept toggle”** and **click [Activate]** to accept the License Agreement.

6

Confirm that the product is activated, as shown below.
